Inspiring and engaging our team

Last year we launched Inpowa – our employee engagement tool to drive reward and recognition throughout the team. It integrates with Autotask, our Business Management software, allowing us to actively reward you for the great work we do. Results lead to 'diamonds', which translate into prizes, everything from a KFC bucket to a trip for two to a holiday destination abroad.

To the left of the character, there are three smaller, similar pedestals of increasing height. The text 'EMPOWER YOUR TEAM' is written in large, bold, pink letters at the top left. Below it, in white, is the text 'Motivate and inspire your people with Inpowa's cutting edge engagement platform.' Further down, in white, is the text 'Integrated with your business management software, Inpowa drives performance with rewards, keeping your team happy and hungry for more!'. Below this text are three circular icons: a yellow one with a game controller, a red one with a target, and a blue one with a trophy. To the right of each icon is a white text label: 'Engage with gamification', 'Recognise performance', and 'Reward and celebrate'. At the bottom left, the text 'incubated by seriun' is written in white. At the bottom right, the text 'inpowa.me' is written in white. The overall design is modern and energetic, emphasizing team empowerment and rewards.
