Inspiring and engaging our team

Last year we launched Inpowa – our employee engagement tool to drive reward and recognition throughout the team. It integrates with Autotask, our Business Management software, allowing us to actively reward you for the great work we do. Results lead to 'diamonds', which translate into prizes, everything from a KFC bucket to a trip for two to a holiday destination abroad.

A promotional graphic for Inpowa, an employee engagement platform. The background is a vibrant purple and pink gradient with stylized clouds. On the right, a superhero character in a blue suit and yellow cape stands on a tall, pink, cylindrical pedestal. To the left of the character, there are three smaller, similar pedestals of increasing height. The text 'EMPOWER YOUR TEAM' is written in large, bold, pink letters at the top left. Below it, in smaller white text, is 'Motivate and inspire your people with Inpowa's cutting edge engagement platform.' Further down, in white text, is 'Integrated with your business management software, Inpowa drives performance with rewards, keeping your team happy and hungry for more!'. Below this text are three circular icons: a yellow one with a game controller, a red one with a target, and a blue one with a trophy. To the right of each icon is a white text label: 'Engage with gamification', 'Recognise performance', and 'Reward and celebrate'. At the bottom left, the text 'incubated by seriun' is written in white. At the bottom right, the text 'inpowa.me' is written in white. The phrase 'Level-up your business!' is written in large, bold, yellow letters across the bottom of the graphic.
